Tretinoin Cream (Tretiheal) 0.025%, 0.05%, 0.1%

Used to Treat Acne and Sun-Damaged Skin

Tretiheal contains Tretinoin, a clinically trusted retinoid that supports skin cell renewal and helps improve the appearance of acne-prone and photoaged skin. Regular use promotes healthier-looking skin with a smoother and more even complexion.

Acne Treatment Benefits

- Helps reduce acne breakouts
- Unclogs pores and minimizes blackheads
- Supports clearer skin appearance
- Promotes faster skin cell turnover
- Helps prevent future blemishes

Skin Renewal & Glow

Tretiheal accelerates skin cell turnover, helping remove dull surface skin and revealing fresher, brighter-looking skin underneath.

Key Benefits:

- Enhances skin radiance
- Improves skin tone
- Supports a youthful glow
- Reduces dullness

Available Strengths

Tretiheal Product Range

0.025% – Ideal for beginners and sensitive skin
0.05% – Moderate strength for regular treatment
0.1% – Advanced strength for experienced users

Smooth Skin Texture

Improves Skin Texture

Regular application helps refine skin texture and supports smoother-looking skin.

Benefits:

- Reduces roughness
- Minimizes visible pores
- Supports even skin appearance
- Enhances overall skin quality

Anti-Aging Benefits

Supports Youthful-Looking Skin

Tretiheal helps improve visible signs of sun damage and aging by encouraging healthy skin renewal.

Hydration & Skin Health

Healthy Skin Care Routine

When used as directed and combined with moisturizers and sun protection, Tretiheal supports healthier-looking skin.

Recommendations:

- Use gentle moisturizer
- Apply sunscreen daily
- Follow prescribed routine
- Maintain skin hydration
